

1. **6.00pm – 6.45pm** **Worlds End, 21-23, Stroud Green Rd, London, N4 3EF**
My local pub, this has a lot of space with 4 rooms around one large central bar. Serves fairly standard pub food. I will look to find a table on the side facing Stroud Green Road.
2. **6.50pm – 7.40pm** **The Faltering Fallback, 19 Perth Road, London N4 3HB**
This pub has a fantastic garden terrace which we will try to use if the weather permits. It also has a chinese takeaway type food service inside the large room in the pub downstairs and to the right.
3. **7.45pm - 8.30pm** **The White Lion, 125-127 Stroud Green Rd, London N4 3PX**
A Wetherspoons pub so there should be space and seats and the usual food and drink selection with low prices as it's outside of central London.
4. **9.10pm – 9.45pm** **The Old Dairy, 1-3 Crouch Hill, London N4 4AP**
My girlfriends local pub, a large spacious establishment with more sophisticated food. This pub and the next are right next to each other so you could eat in one while some of are just across the road.
5. **8.35pm – 9.10pm** **The Stapleton Tavern, 2 Crouch Hill, London N4 4AU**
Newly refurbished this pub has an elegant style expected of a pub nearing crouch end. Serves food and a decent selection of drinks.

- 6. 9.50pm – 10.30pm Park Tavern, 164 Tollington Park, London N4 3AD**
More of a locals pub, this is the first pub tonight which does not serve food.
- 7. 10.35pm – 11.30pm Twelve Pins, 263 Seven Sisters Rd, London N4 2DE**
Near the tube and train station and right next to the bowling alley it is named after. This pub remains open late on Fridays.
- 8. 11.35pm – optional possibly later start Bowling at Rowans Bowl**
Next door almost to the final pub is a bowling alley which remains open until 2am for anyone who fancies a game we could move onto here, they also have a bar for drinks.
